Completion of A, B, and C is required: (Please be specific, but concise.)

A. 1. Specific action requested: (Example: To increase the number of credit hours for ABC 100 from 1 to 2.)
 To revise the BS program from a 45-hour to a 38-hour major and add two options

A. 2. Effective date: (Example: Fall 2001)
 Fall 2003

A. 3. Effective date of suspended programs for currently enrolled students: (if applicable)

B. The justification for this action: The revisions are meant to better demarcate the adult corrections and juvenile justice components of the major, to eliminate unnecessary redundancies between courses, to increase the pool of elective courses available to students, to ease reliance on adjunct faculty, and to help students develop career related competencies as well as improved understanding of the relationship between the curriculum and their professional careers.

C. The projected cost (or savings) of this proposal is as follows:

Personnel Impact:
 The revisions result in a net savings since COR 315 and 316 are being combined and we have traditionally relied heavily on adjuncts for both these courses. Further adjunct savings are realized by reducing the required electives from 12 to nine hours.

Operating Expenses Impact: No impact is anticipated.

Equipment/Physical Facility Needs: None

Library Resources: Library resources are adequate to accommodate the revisions.
