**Completion of A, B, and C is required: (Please be specific, but concise.)**

**A. 1. Specific action requested:** (Example: To increase the number of credit hours for ABC 100 from 1 to 2.)  
1) Drop HEA 798 *Health Promotion and Program Planning* and HEA 875 *Seminar in Contemporary Health Problems* from MPH Core and, instead, add as an elective for MPH Community Health Option; 2) Add HEA 810 *Human Behavior Change* and HEA 830 *Biostatistics* to the MPH Core; 3) Add HEA 780 *Eval of Health Prom Programs* and HEA 799 *Violence Prevention in Schools and Community* as electives for MPH Community Health Option; and, 4) Drop the Wellness option from the program.

**A. 2. Effective date:** (Example: Fall 2001)  
Fall 2003

**A. 3. Effective date of suspended programs for currently enrolled students:** (if applicable)  
Fall 2003

---

**B. The justification for this action:**  
Dropping HEA 798 and HEA 875 from the MPH Core will free up hours for the addition of two new courses, HEA 810 and HEA 830 that are believed to be more pertinent to the major. Furthermore, this MPH Core will be a part of a shared curriculum to prepare professionals with a Masters in Public Health through the KY Public Health Consortium (an ongoing collaborative project including EKU, U of L, WKU, and UK). Plans include offering the Core online in the near future and enrolling students from the four universities. In regards to HEA 780 and HEA 799, these are new courses in the department that are appropriate electives for MPH students. Finally, the Wellness option is inappropriate for Public Health and, therefore, should be dropped from the major.

**C. The projected cost (or savings) of this proposal is as follows:**

**Personnel Impact:** N/A

**Operating Expenses Impact:** N/A

**Equipment/Physical Facility Needs:** N/A

**Library Resources:** N/A
