Completion of A, B, and C is required: (Please be specific, but concise.)

A. 1. Specific action requested: (Example: To increase the number of credit hours for ABC 100 from 1 to 2.)
 Revision of Assets Protection Major, all previous options have been dropped and a minor incorporated as part of the major requirements.

A. 2. Effective date: (Example: Fall 2001)
 Fall 2004

A. 3. Effective date of suspended programs for currently enrolled students: (if applicable)

B. The justification for this action:

This change is being made to reflect changes taking place in the Assets Protection and Security profession. These changes will position our program to compete nationally and internationally with similar programs. Moreover these changes will provided for greater flexibility for students while maintaining the required body of knowledge necessary for the profession.

The changes recommended here parallel the general accepted professional body of knowledge as developed over five years of effort academicians and practitioners at an annual symposium sponsored by the American Society for Industrial Security International. These changes will also enhance transferability of students enrolling in Eastern from two-year institutions.

C. The projected cost (or savings) of this proposal is as follows:

Personnel Impact:
 Reduce reliance on Adjunct Faculty

Operating Expenses Impact:
 None

Equipment/Physical Facility Needs:
 None

Library Resources:

Ongoing need for current security texts, journals, magazines, and other security related publications.
