RE: Posthumous Degree Nomination

I am writing to nominate Mr. Travis Simpson for a posthumous degree (BS in Correctional and Juvenile Justice Studies). At the time of his death in April 2004, Mr. Simpson had completed 125 hours and was in good academic standing in our program. Mr. Simpson's contributions to the university are evidenced by the fact that he was an excellent student. He had an overall GPA of 3.039 and a 3.666 GPA in our major. He was always well organized and prepared for class and did well at class participation. He was respected by his professors and classmates and modeled good academic habits for his classmates. Please do not hesitate to contact me if I can provide further information.
