

1 December 2003
Report of the Committee of the Budget
To The ECU Faculty Senate

The Faculty Senate Budget Committee met on November 13th.

Following the model established last year, the Committee resumed its study of major university budget areas. The Committee's second guest this year was Mr. Ken Johnston, ECU Vice President/Treasurer. His remarks focused on the change in positions in the past budget cycle at ECU. This is a follow-up to a report that the Budget Committee received last year that compiled data on changes in positions over the previous five years. Because of the depth of the information presented and the questions that were raised, we will continue the discussion of position changes at our next meet in January.

Respectfully submitted,

Carolyn Siegel
Committee Member
