*If Applicable (Type NA if not applicable.)

**Approval needed for new, revised, or suspended programs

***Approval/Posting needed for new degree program or certificate program

****If “yes”, SACS must be notified before implementation. Please contact EKU’s Office of Institutional Effectiveness.

## Completion of A, B, and C is required: (Please be specific, but concise.)

**A. 1. Specific action requested:** (Example: To increase the number of credit hours for ABC 100 from 1 to 2.)

Suspend the A.S. degree in Computer Electronics Technology.

**A. 2. Effective date:** (Example: Fall 2001)

Fall 2005

**A. 3. Effective date of suspended programs for currently enrolled students:** (if applicable)

N/A

**B. The justification for this action:**

Compliance with Council on Postsecondary Education policy and program efficiency.

**C. The projected cost (or savings) of this proposal is as follows:**

**Personnel Impact:**

None

**Operating Expenses Impact:**

None

**Equipment/Physical Facility Needs:**

None

**Library Resources:**

None
Part III. Recording Data for New, Revised, or Suspended Program

1. For a new program, provide the catalog description as being proposed.
2. For a revised program, provide the current program requirements using strikethrough for deletions and underlines for additions.
3. For a suspended program, provide the current program requirements as shown in catalog. List any options and/or minors affected by the program’s suspension.

New or Revised* Program Text
(*Use strikethrough for deletions and underlines for additions.)

Computer Electronics Technology (A.S.)
CIP Code: 15.0402

University Requirement..................................................................................................................1 hour

EEO 100

Supporting Course Requirements.................................................................................................30 hours

-CSC 177, six hours of English Composition, MAT 107, 108, PHY 131(5), CMS 100, three hours of general education humanities, three hours of general education social science.

Free Electives..................................................................................................................................4 hours

Major Requirements.......................................................................................................................33 hours

Total Curriculum Requirements....................................................................................................67 hours

*Courses meeting general education requirements.

Students must take a computer electronics assessment examination before graduation.

The Computer Electronics Technology program is accredited by the National Association of Industrial Technology.
