

Rules Committee Report
November 7, 2005

The Rules Committee has met several times since the last Faculty Senate meeting and we are continuing to work on the creation of a Senate Curriculum Committee. We are now comfortable with the Undergraduate sub committee, but are awaiting a response from the Graduate Dean and Graduate Council. We brought basic suggestions forward for feedback from the Executive Committee two weeks ago.

We are continuing to work on the Senate Rules, Internal Procedures, and the Faculty Handbook.

We have brought forth today a motion to bring the Faculty Handbook section on class syllabi up to date.
