RE: President's Award for Summer School Students

The Office of the President has determined they would like to present the President's Award to students enrolled full-time during the summer (10 hours effective summer 2007) who earn a 4.0 GPA. The catalog text will be revised as follows:

"As a further recognition of academic achievement, the University presents the President's Award to students who complete a enroll for a minimum of 12 credit hours full time course load, with ~~regular~~ normal grading, and who attain a 4.0 grade point average for the semester. Students receiving the President's award receive a letter of recognition from the President. In addition, the Division of Public Relations and Marketing distributes the names of the recipients to appropriate news media, including their hometown newspaper."
