C. The projected cost (or savings) of this proposal is as follows:

Personnel Impact: The action will soon require the addition of one full time faculty. The department has staff in place, at the moment, with the credentials to offer the degree program.

Operating Expenses Impact: The proposal will not necessitate an increase in operating expenses.

Equipment/Physical Facility Needs: Existing facilities will be used.

Library Resources: Some additional texts will be added, and a minimal number of new journals requested. Current journal offerings will be reviewed so as to substitute the new journals for current journals with lesser need. In addition, students will be encouraged to make use of internet resources as much as possible to obtain additional reference material.
