### Program Information

In our lives, each of us had someone...other than our parent...who broadened our horizons and brought a little magic into our lives. By becoming a Big Brother or Sister, you can do the same for a child-and you will *both* be forever changed by the experience. Big Brothers Big Sisters of the Bluegrass serves over 2,400 children each year in fourteen central Kentucky counties. There are over 600 children currently matched with an adult volunteer. Volunteers can choose to work with a child in a school setting for one hour a week...or in the community for 2-3 activities a month. Volunteers are at least 18 years or older.
