

Faculty Senate Welfare Committee Report for March 3, 2008
Submitted February 27, 2008

The Welfare Committee met and wrote a resolution concerning the proposed budgetary cuts to higher education to be sent to the governor and the General Assembly. This resolution was forwarded to the executive committee for consideration by the Faculty Senate.

The Welfare Committee has a meeting on February 29, 2008 with Provost Piercey to discuss compensation and benefit issues, hiring trends and faculty lines, and shared governance. The committee members are continuing to meet with the University Benefits Committee and ad hoc Benefits committees to address health care and other benefits.
