Completion of A, B, and C is required: (Please be specific, but concise.)

A. 1. Specific action requested: (Example: To increase the number of credit hours for ABC 100 from 1 to 2.)	1) Clean up the catalog copy display 2) Drop the following options: Allied Health (Non-Teaching) and Social Studies: Geography 3) Update specialization courses in the Business Education 4) Update specialization courses and elective course information in the Family and Consumer Science Education option. 5) Update specialization courses in the Social Studies: History option. 6) Update specialization courses in the School Health option.
A. 2. Effective date: (Example: Fall 2001) Summer 2008

- 3) Deleted courses no longer exist, have changed prefixes, have a changed number, or are no longer viable to the education program. Deleted and added courses have been recommended by program advisor and a faculty member from the College of Business and Technology.
- 4) Deleted courses no longer exist, have changed prefixes, have a changed number, or are no longer viable to the education program. Deleted and added courses have been recommended by the program advisor and faculty member of the Family and Consumer Science option in the College of Health Sciences. Elective course choice needed clarification.
- 5) Deleted courses no longer exist, have changed prefixes, have a changed number, or are no longer viable to the education program. Deleted and added courses have been recommended by the program advisor in the Department of Curriculum and Instruction.
- 6) Deleted courses no longer exist, have changed prefixes, have a changed number, or are no longer viable to the education program. Deleted and added courses have been recommended by the program advisor and faculty member of the School Health option in the College of Health Sciences.
