Rinehart	James	james.rinehart@eku.edu	859.622.8634	Full Professor	College of Education	Graduate Council	I am interested in promoting graduate education at EKU.	University Research Committee
petronio	Karen	karen.petronio@eku.edu	582-9026	assistant prof	Education	University Research Committee	I have been on this committee before and enjoy it. It requires lots reading, which at the same time allows one to learn about different fields. I believe my background helps in understanding the proposals that come from more of a social sciences background.	
Gunderson	Gregory	gregory.gunderson@eku	2-1027	Associate Professor	Arts and Sciences	Library	I paid my way through graduate school by working as a librarian at the University of Wisconsin which included positions as a reference librarian, circulation supervisor and reserves supervisor. My experience in this regards allow me to see library services from the point of view of students, as a current faculty member, and from the point of view of a librarian.	General Education Committee
Judd	Cindy	cindy.judd@eku.edu	622-2289	Assistant University Libr	Library	Teacher Education Committee	I work in the Learning Resources Center, the part of the library that serves the College of Education. I am very interested in working with the faculty and students in this college and ensuring that the curriculum best meets the needs of the current education system.	
Nguyen	Minh	Minh.Nguyen@eku.edu	859-622-8667	Assistant Professor	Arts and Sciences	Improvement of Instruction	As a philosophy and logic instructor, I have thought much about the topic of critical thinking. I also have an abiding interest in the scholarship of teaching. I want to make some contribution to the TLC, in particular to improve instruction at EKU.	
Jensen	Jacquelyn	jackie.jensen@eku.edu	622-2392	Associate Professor	Health Sciences	Graduate Council	I work with graduate students from the College of Education who are enrolled in the MAED and MAT programs. I care deeply that the experience of graduate students at Eastern is of the highest quality.	
Robles	Marcel	marcel.robles@eku.edu	622-1117	Professor	Business & Technology	Graduate Council	I am finishing my three-year term on Graduate Council this semester and would like to serve another three-year term. I have a vested interest in graduate education at EKU and we have made some great strides in ensuring quality graduate programs. I would like to continue many of the projects and activities that we have started and that I have been heavily involved with.	
Cooke-Jackson	Angela	Angela.Cooke-Jackson@	859-622-1873	Assistant Professor	Communication Studies	University Research Committee	I am interesting in understanding and be involved with research because it was an important component of my graduate career. As well I want to help students understand how university research can help them in the academic career	International Education
Hall	Stephanie	stephanie.hall@eku.edu	859-622-8679	Assistant Professor	Education	Graduate Council	I teach graduate students and have an interest in the decisions made by the graduate council.	Improvement of Instruction
Kopacz	Paula	paula.kopacz@eku.edu		Professor	A & S	University Research Committee	I served on the committee years ago and haven't served on it for a while, so I am interested in seeing current research areas in other disciplines and in promoting research in all areas.	Graduate Council
Appleton	Thomas	tom.appleton@eku.edu	2-1365	Professor	A & S	Library	During 21 years as editor of publications for the Kentucky Historical Society (1979-2000), I worked daily with the KHS research library and developed an abiding interest in libraries and their services and offerings. I try to remain as well versed as possible on the Crabbe Library in order to help my students with their research projects.	
Chapman	Ann	ann.chapman@eku.edu	859-327-6497	Professor	Education	Graduate Council	I see a need for both traditional, overall quality and unique, diverse approaches to quality standards in our graduate programs at EKU. We are at a crossroads where we must to find a way to enhance both approaches to ensure building quality while supporting the uniqueness of our graduate programs. I would like to help take on that challenge.	Improvement of Instruction

Krampe	Kristina	kristina.krampe@eku.edu	622-1519 Asst. Professor	Education	Media Resources	I have an interest in the use of technology and multimedia to promote learning.	University Research Committee
Givens	Deborah	deborah.givens@eku.edu	622-6564 Instructor (Tenure Track)	Communication	Library	Since coming to Eastern I have used many of the library's services for my research and for my classes. I am interested in working with the faculty and staff in continuing to expand services and materials. I am especially interested in expanding the collection of newspapers and magazines from our 22-county service region. I really appreciate the work that the TLC on campus does, am interested in the scholarship of teaching, and am challenged by trying to support faculty to do quality teaching in an environment that makes many other demands on them.	
wittman	peggy	peggy.wittman@eku.edu	associate	health sciences	Improvement of Instruction		
Ewalt	Jo Ann	joann.ewalt@eku.edu	622-4389 Associate	Arts & Sciences	Graduate Council	I am director of the MPA program and am very interested in assisting to make all graduate programs at ECU as strong and competitive as possible.	
Park	Charlene	charlene.park@eku.edu	859-622-3766 Educator - Assistant Prof	COE/Model High School	Media Resources	To help spread the information to ALL departments regarding what technology is available and what process to follow to have the technology and resources in your room and to help educate your students with the top technology and resources available.	Library
Maumbe	Blessing	Blessing.Maumbe@eku.edu	859-622-2232 Associate Professor	Business and Technology	International Education	I have a wide experience in international education having earned my bachelors, masters and doctoral degrees in three different countries including the United States. As a student in a foreign country, I have personally experienced the real challenges of international education. I have also served as a University faculty in three different countries. I believe that I bring a deep and insightful perspective to issues and challenges facing international students and the international education landscape in general.	Library
Taylor	John	John.Taylor@eku.edu	622-6184 Associate Professor	Business & Technology	University Research Committee	1. To understand the guidelines used for the allocation of funds	
Howell Staddon	Dana Bill	dana.howell@eku.edu bill.staddon@eku.edu	Associate Professor Associate Professor	Health Sciences Arts and Science	University Research Committee Improvement of Instruction	I am engaged in research and scholarship and would like to be involved with others who are also interested in promoting research and scholarship on campus.	Faculty Club Board of Governor
Gershtenson	Joe	joe.gershtenson@eku.edu	622-2606 Associate Professor	Arts & Sciences	University Research Committee	I am very interested in pedagogical issues. Firm believer in the importance of research. Previous recipient of funding from the Committee.	
Thomas	Deneia	deneia.thomas@eku.edu	Assistant Professor	Education	University Research Committee	As a junior faculty member endeavoring to build scholarship; service on the University Research Committee will provide useful development tools to cultivate these skills. Additionally, as one who has served as a reader for state and federal grants, service in this capacity will provide me the opportunity to utilize my experiences.	Graduate Council
Dickey	Steven	steven.dickey@eku.edu	6221769 associate	A&S	Improvement of Instruction	I'm concerned that the student population is changing and adaptations may be necessary.	Teacher Education Committee
Yang	Mengkun	mengkun.yang@eku.edu	859-622-1923 Assistant Professor	A&S	International Education	As a former international student before joining ECU, I understand concerns of international students when they study in the U.S. and would like to help them make their study at ECU a success. I look forward to serving on the International Education Committee and making contributions as much as I can. Thanks for the consideration.	

Fitch III	John	john.fitch@eku.edu	(859) 622-6769 Assistant Professor	Business and Technology	Graduate Council	I am very interested in the continuing development of graduate programs at ECU. As an MFA, I'm particularly interested in observing the College Art Association's recommendations for graduate faculty.	Library
Shasby	Sharon	sharon.shasby@eku.edu	Professor	Health Sciences	Graduate Council	As the graduate Coordinator of the Occupational Therapy Department, I have experience designing graduate education/programs and understand the issues and concerns. I have served this year on the GEAR Strategic Planning Committee and would like to play a role in the implementation of that plan. I have studied internationally as well as am currently serving an international student in accent modification therapy. Our ECU Speech-Language-Hearing Clinic could be a component of the international student's efforts to assimilate themselves at the university.	
Cranfill	Tamara	tamara.cranfill@eku.edu amara.cranfill@eku.edu	Asst. Professor	Special Education	International Education	I am the coordinator of the Master of Arts in Teaching program and the majority of the classes I teach are at the graduate level. I welcome the opportunity to become more involved in graduate issues at a campus level.	
Resor	Cynthia	cynthia.resor@eku.edu	859 622-2165 associate professor	Education	Graduate Council	I have actively conducted quantitative research for over 5 years where I designed, executed, analyzed, and disseminated the information from each research project. I am also involved in the development and editing of subsequent publications. I would like to bring my expertise in recognizing and evaluating quality research proposals to the ECU community.	
Sciascia	Aaron	aaron.sciascia@eku.edu	859-582-9073 part-time faculty	Health Sciences	University Research Committee		
Sonia	Michael	sonia.michael@eku.edu	Assistant Professor	Education	University Research Committee	I am personally striving to increase my scholarly productivity and feel that serving on the University Research Committee will enhance my understanding of research possibilities.	Teacher Education Committee
Tackett	Elaine	elaine.tackett@eku.edu	622-4394 Associate Professor	Arts & Sciences	Library	I have served on this committee for the past two years. Because I teach in the Paralegal Program, I utilize the law library extensively for my courses. I have been able to work with the library personnel to ensure that the law library continues to provide the necessary materials for our students (and to ensure that we have the materials required to receive ABA approval for our program). It has also been such an enjoyable experience to see the new and expanding areas that are going to be available in the library in the future! I am also a member of the Friends of the Library organization and support the library in any way that I can. I have an interest in this committee because I teach a 5 credit hour course by ITV. The course is in Baccalaureate & Graduate Nursing.	
Patros	Sheila	sheila.patros@eku.edu	859-622-1962 Associate Professor	Health Sciences	Media Resources	As a Fulbright Scholar I have strong interest in international education for both ECU students and foreign students interested in coming to ECU.	Improvement of Instruction

In addition to promoting graduate education, I am interested in promotion quality research.					Yes
I currently serve as a gen ed course coordinator for two courses -- POL 100 and POL 220. I teach two courses of gen ed each semester. I am very interested in providing our students a breadth of knowledge through the gen ed program and improving our gen ed offerings.	Improvement of Instruction	I teach many undergraduates and consider myself an innovative and caring instructor. I use many active learning simulations, introduce the students to technology, etc. I have won awards for my teaching at the Univ of Wisconsin, Central Missouri State University and here at ECU. I think I have something to offer my colleagues in this important area.	University Academic Advising Committee. My Committee	University Academic Advising	Yes
My area of research is Intercultural Communication. I've worked in numerous capacities with International Students on different college campuses and I just have a really heart for this population of students.	General Education Committee		ADA Committee		No
Long-standing interest in graduate education. I have made strong contributions in the past and am willing to continue to raise standards and promote graduate instruction.	General Education Committee		Library Committee		
The TLC does excellent programming. I would like to be part of expanding that programming in terms of methods and approach (e.g. videotape each presentation and have it available, have regular casts available, enhance a library of materials, etc).	Library	The Library should be the center of the campus in terms of intellectual activity. I would like to see what kind of activities for faculty, students and staff might be started that would have the place 'a-buzz' with discussion.	Teacher Admissions

I have been on leave for the past 2 years serving as director of research for the KY Office of Education Accountability. Three years ago I served as chair representative on the Council of Academic Affairs, and as a member of the University Assessment Committee.

Yes

Same as above - to help notify fellow educators about what is available and what needs to be available to help best educate our future generation.

Yes

I have served on a similar committee in two previous Universities where I used to teach. I could use that experience to make a difference on this committee. I'm also prepared to learn from others in our bid to find workable solutions for the library.

Improvement of Instruction

As a member of faculty, my teaching philosophy is focussed on student success. I believe that constant improvement of instruction is central to the goal of student success. I would like to try and contribute towards the achievement of student success at ECU using innovative instructional methods and strategies. I hope my own experiences in the classroom and expectations for improvements in instruction will serve the committee well.

University Research Committee

Since I am new to campus it has been difficult to meet faculty outside of my college. Last year faculty mixers were held monthly but were discontinued. I'd like to work on this committee to help work toward more interaction between faculty across campus.

None at ECU; however, at my previous university I served on the Bachelor of University Studies

I am not currently serving on any university committees.

As a graduate faculty member, participation with the Graduate Council will help me to become more proficient in the University policies and standards for graduate study and program requirements, as well as ensuring graduate curriculum and decisions on graduate faculty are maintained. I'd like to represent the interests of A&S on this committee because I teach classes in this area.

Teacher Education Committee

Media Resources

As faculty in the College of Education, working directly with teachers, service on the Teacher Education Committee will allow me the on-going development to remain abreast of issues pertaining to education to ensure preservice teachers are prepared for real world experiences as teachers.

University Diversity Committee.
