Completion of A, B, and C is required: (Please be specific, but concise.)

A. 1. Specific action requested:	(Example: To increase the number of credit hours for ABC 100 from 1 to 2.) Remove ENG 300, 301, and PHI 130 from "Additional Pre-Vet Requirements" in DARS/CARES and add "AGR 321 or" to the list.
A. 2. Effective date:	(Example: Fall 2001) Summer 2009
A. 3. Effective date of suspended programs for currently enrolled students:	(if applicable)

B. The justification for this action:	Since most Kentucky students apply to Auburn University Veterinary School, our program tries to follow their entrance requirements. Auburn has dropped ENG 300 and 301 as recommended prerequisites; therefore, we need to remove them from our requirements. Although they still recommend a philosophy course, they no longer specify which one. Since PHI 130 is part of our General Education program, we would like to allow our students to take PHI 130 and use it as part of General Education. Currently, they cannot since it is listed as an additional requirement. Auburn has instituted a requirement for a course in feeds and feeding or animal nutrition. We currently require AGR 421 Animal Nutrition under the additional requirements; we would like to add the option of taking AGR 321 Feeds and Feeding to the list.
