Completion of A, B, and C is required: (Please be specific, but concise.)

A. 1. Specific action requested: Approval of revised B.A. in History / Teaching.

A. 2. Effective date: Fall 2009

A. 3. Effective date of suspended programs for currently enrolled students: (if applicable)

B. The justification for this action: These revisions are necessitated by the addition of two courses to the History curriculum. Students earning credit from HIS 330, "Ancient Egypt," will make progress toward satisfaction of the distribution requirement in Area III (Non-Western) while those earning credit from HIS 337, "History of Christianity to 1500," will make progress toward satisfaction of Area II (Europe). It is also necessary to adjust the supporting courses requirement in Geography to reflect the course number change from GEO 200 to GEO 100. To ensure that students who took the course under the old number still receive credit for graduation, the revised major will accept either GEO 100 or GEO 200. In the same section of Supporting Course Requirements, there are three commas that should be replaced with semicolons for greater clarity.

C. The projected cost (or savings) of this proposal is as follows:

Personnel Impact: None

Operating Expenses Impact: The proposal will not necessitate an increase in operating expenses.

Equipment/Physical Facility Needs: Equipment and physical facilities are adequate.

Library Resources: Library resources are adequate.

Part III. Recording Data for New, Revised, or Suspended Program

1. For a new program, provide the catalog description as being proposed.
2. For a revised program, provide the current program requirements using ~~strike through~~ for deletions and underlines for additions.
3. For a suspended program, provide the current program requirements as shown in catalog. List any options and/or minors affected by the program's suspension.

HISTORY/TEACHING (B.A.)

CIP Code: 54.0101

Program Objectives

Upon successful completion of this program, graduates will be able to: 1) demonstrate knowledge of U.S. History, European history, and selected aspects of non-Western history at a high level; 2) demonstrate their ability to write effectively (all students in the program will complete term papers as part of their major requirements); and 3) execute a major research project utilizing both primary and secondary resources. All students in the baccalaureate degree program will submit prior to graduation a formal research project which includes both primary and secondary resources. The History/Teaching B.A. is designed above all for those who wish to pursue careers in social studies at the secondary level. Offered in cooperation with the ECU College of Education, the History/Teaching B.A. program includes secondary teaching certification in social studies. Refer to the College of Education section of this *Catalog* regarding the teacher certification requirements associated with this degree program.
