

## Meet the QE Coaches

The **Quality Enhancement Coaches** are a team of ECU faculty and professionals who are assembled to promote a variety of teaching methods in order to foster the development of informed, critical and creative thinkers who communicate effectively. The QE Coaches will learn, use, and share information on critical and creative thinking and communication as it relates to the goals of the ECU Quality Enhancement Plan. They will serve as peer resources and coaches for ECU faculty and staff. They will also promote a common vocabulary and will generally support the ECU Quality Enhancement theme: **to develop informed, critical and creative thinkers who communicate effectively**. The objectives of the QE Coaches group include:

- Increasing awareness of the QEP
- Providing Resources
- Providing information and training
- Promoting a shared understanding of critical and creative thinking and communication
