Completion of A, B, and C is required: (Please be specific, but concise.)

A. 1. Specific action requested: (Example: To increase the number of credit hours for ABC 100 from 1 to 2.)
   To specify the content of electives in the BM Emphasis in Music Industry degree and to drop one supporting course.
   To add text to clarify degree requirements.
   To correct an error in adding degree credits and name of emphasis.

A. 2. Effective date: (Example: Fall 2001)
   Summer 2009

A. 3. Effective date of suspended programs for currently enrolled students: (if applicable)
   NA

B. The justification for this action:
   As part of our Plan Approval with our accrediting agency National Association of Schools of Music (NASM), this is necessary to meet current standards. It also reflects changes in the field. Since the BM is a professional degree we need to increase our music content credits by delegating the electives to music electives.
   The CCT course was part of the old BA in music and was listed as a supporting course. It has become increasingly difficult to schedule due to few sections being offered. With the communications and writing courses now required in General Education, the communications skills will be covered in those areas.
   A couple of errors are being corrected, as well as text added to clarify degree requirements.

C. The projected cost (or savings) of this proposal is as follows:

Personnel Impact: None

Operating Expenses Impact: NA

Equipment/Physical Facility Needs: NA

Library Resources: NA
