Interim Policy on Policies

Policy Statement

Eastern Kentucky University, through the practice of shared governance, formally develops, approves, disseminates, implements, and maintains policies, as defined in this document, through a uniform process. All members of the University community may be involved in developing, updating, recommending, and disseminating University policies and thus must adhere to the precepts set forth in this policy. This document defines a University policy, and also provides a format for the development, approval, and dissemination of such policies. Additionally, it describes the responsibilities of the parties involved in the formulation and adoption of University policies.

This policy enables the University to make policy development and retrieval efficient and consistent. Further, a comprehensive document that outlines the development, approval, dissemination, implementation, and maintenance of University policies allows for more consistent enforcement, greater accessibility, and timelier review. This process will enhance communication, organizational operations, compliance, and accountability.

Eastern Kentucky University will be guided by the following principles:

- Policies will
  - be designed to encourage students’ success in achieving their goals while at the same time be intended to maintain the mission of a high quality educational experience;
  - support the University’s mission, values, initiatives, and strategic goals;
  - align ownership with authority, responsibility, and accountability;
  - comply with federal and state laws and regulations as well as accrediting standards; and
  - be consistent with other university policies; and

- The policy process will
  - be transparent;
  - honor shared governance by seeking participation from stakeholders;
  - have a mechanism for evaluation and improvement in a timely manner; and
  - avoid bureaucratic gridlock.

Any individual sponsored by a recognized University unit or organization, or any individual sponsored by a recognized University unit or organization may identify the need for a new policy or the revision of an existing policy. Once the need for a new policy or the need to revise a current policy is identified, the following steps should be followed:

Pursuant to Part VII Section VII A1a, Faculty Handbook, when the Faculty Senate is the Policy Originator policy, Impact Statements and policy drafts may be submitted directly to the President or may be submitted as described below. The President may recommend that policies proposed by the Faculty Senate be vetted through this process.

All other Policy Originators should:

1. **If the proposed issue is academic in nature**, complete an Impact Statement and forward to the Office of Policy, Compliance, and Governance or to the Office of the Associate Provost for Academic and Faculty Affairs.
2. **For issues that are non-academic in nature**, forward the completed Impact Statement to the Office of Policy, Compliance, and Governance.

If there is uncertainty as to whether the issue is academic or non-academic, forward the Impact Statement to the Office of Policy, Compliance, and Governance. When the Policy Originator is an individual, a recognized University unit or organization must be listed as a sponsor.

A draft of the policy or policy revision may be submitted with the Impact Statement.

The Office of the University Counsel will also be notified prior to the 30-day comment period to begin legal review of the proposed policy such that policy will be posted for comment. An announcement that a policy is posted for 30-day comment period on the Policy and Regulation Website will be made to the University community through EKU Today and EKU Student Today. The Drafting Team will review and consider all comments made during this time period.
