Is this a SACS Substantive Change? Yes**** No x

Completion of A, B, and C is required: (Please be specific, but concise.)

A. 1. Specific action requested: To decrease the total number of hours required for a Bachelor of Arts degree in Political Science from 128 to 120.

A. 2. Effective date: (Example: Fall 2001) Spring 2010

A. 3. Effective date of suspended programs for currently enrolled students: (if applicable) N/A

B. The justification for this action: Reducing the total graduation credits from 128 to 120: Widespread discussions have occurred across Eastern Kentucky University's campus regarding the need for students to be able to graduate with a basic undergraduate degree in 4 years by taking a full load (15 credits/semester). This action within the Political Science Program would align us with many other departments within the College of Arts and Sciences who are seeking to achieve the same outcome. We are able to make this change while maintaining the integrity of our program. By reducing free electives to 38 hours, students will be able to achieve this goal.

C. The projected cost (or savings) of this proposal is as follows:

Personnel Impact: None

Operating Expenses Impact: None

Equipment/Physical Facility Needs: None
