

# DISCUSSION BOARD NEW FEATURES 7.3

There are several new features available in the Discussion Board with our upgrade to 7.3.

In 7.1 you were able to see threads in a tree view. That feature has been restored! The post titles to a thread are no longer invisible.

- ➔ Navigate to the Discussion Board
- ➔ Choose a **Forum**
- ➔ Choose the **Tree View** next to the **List View** in the upper right hand corner.

The screenshot shows the ECU Online Learning interface. The top navigation bar includes 'Home', 'Help', and 'Logout'. Below it are tabs for 'My ECU', 'EKU Libraries', 'Courses', 'Community', and 'System Admin'. A red arrow points to the 'Tree View' button in the upper right corner of the discussion board area.

The main content area displays 'Course Discussions: First forum' with a breadcrumb trail: 'AAA DEMO COURSE (0 DEMO COURSE) > COMMUNICATIONS > DISCUSSION BOARD > COURSE DISCUSSIONS: FIRST FORUM'. Below the title are 'Tree View' and 'List View' buttons. A toolbar contains icons for 'Thread', 'Remove', 'Collect', 'Flag', 'Clear Flag', 'Mark Read', 'Mark Unread', and 'Search'.
