Graduate Studies Advisor Agreement Form

When to Use this Form

Students wishing to be admitted in the M.S. Biology program at Eastern Kentucky University must have a faculty member from the Department of Biological Sciences agree to serve as their advisor should they be accepted to the program. Once a faculty member has agreed to be an applicant's advisor, the student and the faculty member should complete this form, which will be submitted along with other application materials to the ECU Graduate School. ***Applications will not be considered complete unless this form is completed and included with the application materials.***
