Facilitation Center Impact in 2021-2022

Education

Strengthening education, from early childhood to higher education, and ranging from a national online classical education provider to a settlement school addressing critical educational issues in Eastern Kentucky.

Community Service

Supporting community service efforts, from a local community group focused on thriving students, strong families, and flourishing neighborhoods to a national organization uniting America through service.

Nonprofits

Facilitating the work of nonprofits, striving to fulfill their missions around safety and prevention, and empowering others to meet the diverse changing needs of their communities.

Social Issues

Proactively addressing significant social problems impacting Kentuckians, including strengthening families and critical prevention efforts around child abuse and suicide.

Some Strategic Plans We Helped Develop...

Vision: Thriving students, strong families, and flourishing neighborhoods live into their God-given potential.
Mission: Common Good is an inclusive community in North Lexington dedicated to whole families. We create a safe space for our community to know love.

Mission: Dedicated to increasing lifejacket wear in all appropriate activities: through education, product innovation, standards development, and enhancing communication between members and stakeholders.

center for nonprofit advancement

Vision: Effective nonprofits, thriving communities.
Mission: To strengthen, promote, and represent nonprofit organizations, empowering them to meet the diverse, changing needs of our communities.

Vision: We envision a flourishing culture of safe, enjoyable boating for everyone.
Mission: National Association of State Boating Law Administrators (NASBLA) is a professional community leading recreational boating safety through innovation and collaboration for excellence in policy, development, national standards, and best practices.
