

## **EKU Honors Program Mission Statement**

The mission of the ECU Honors Program is to provide its students with the best intellectual resources available at the university in order to empower them to attain their highest academic and professional goals. We develop the whole student by way of our interdisciplinary, small classes, our support of student research and travel to regional and national conferences, and our offering of a wide variety of cultural and out-of-classroom experiences.

## **EKU Honors Program Vision Statement**

The ECU Honors Program aspires to national recognition as an exemplary program. Our graduates will be successful in their chosen academic and professional paths, as well as informed and responsible citizens in their local communities and the world. We will build on our traditional strengths by extending honors opportunities to broader segments of the ECU student body while continuing to cultivate a spirit of creative and innovative learning and teaching throughout the ECU community.
