Eastern Kentucky University COAPRT Report 2022

Outcome 1 from Standard 7.01: *Student Scholarship, 2016-2020 Conduct research that contributes to the knowledge base of the represented disciplines in local, state, national, and international venues. (COAPRT 4.07, 5.06, 7.01a & 7.01).*

Outcome 1 Assessment Method: Number of student presenters criterion 20% of RPA students will have their research accepted for presentation.

Outcome 1 Measure Type: Direct

Outcome 1 Result: During 2020-2021, 2 grants were funded totaling $52,000; one fundraising project was delivered ($36,626). Four students published with faculty; 2 technical reports were completed for agencies within the context of a REC class; 62 professional presentations were made by faculty involving students. 35% of RPA undergraduate students had a research experience that resulted in dissemination at a professional conference.

Outcome 2 from Standard 7.02: *REC 311 Leadership and Diversity Project Students will demonstrate competencies in management, operations, event planning and recreation programming for a diverse population (COAPRT 7.01a, 7.01b, 7.01c, 7.02 & 7.03)*

Outcome 2 Assessment Method: Instructor grade for regional stewardship special event Criterion 75% of students will receive a grade of "B" or better on the regional stewardship diversity special event + student reflections

Outcome 2 Measure Type: Direct

Outcome 2 Result: The Mentoring Project at Bellevue Alternative School has been an RPA tradition and stalwart service learning project for over ten years. Unfortunately the program was cancelled fall 2020 and spring 2021 due to Covid-19 and Madison County School restrictions. This program is slated to resume spring 2022.

Outcome 3 from Standard 7.03: *During Senior Internship (REC 463), students will demonstrate their ability to put into practice the knowledge and understanding*

required in major course work and previous Fieldwork experience by successfully completing a significant project for their agency.

Outcome 3 Assessment Method: Criterion REC 463/473 Senior Internship students will receive an average of 90 points out of a possible 100 points on their agency project evaluation.

Outcome 3 Measure Type: Direct

Outcome 3 Result: For 2020/2021, 25 students completed 12,560 hours of senior internship experience and service to area communities. Of those 25 students, the mean score for the Senior Internship Project was 96 out of a possible 100 points indicating success in critical thinking, communication skills and effective application of classroom and experiential knowledge; (a slight decrease from 97.5/100 the previous year and an increase from 2018-19 (91.4/100).
