EKU | COLLEGE OF BUSINESS

PC BUYING RECOMMENDATIONS

WONDER WHAT LAPTOP WILL WORK BEST DURING YOUR TIME IN THE COLLEGE OF BUSINESS?

Specifications

|	Minimum	Recommended
Processor	Intel Core i5	Intel Core i7, Intel Core Ultra 5 or 7
	AMD Ryzen 5	AMD Ryzen 7
RAM	16GB	16GB or more
Disk Space	256GB SSD	512GB SSD
Operating System	Windows 11	

The Windows operating system is the most commonly used computer operating system for business. With that in mind, we recommend a Windows computer as it allows our students the opportunity to work with the same system that they will most likely work with throughout their career.

Please note that while Macs are popular, they do not integrate as well with University and College of Business course requirements.
